INDEPENDENT AUDITORS' REPORT

To the Members of Chatham-Kent Children's Services

We have audited the accompanying financial statements of Chatham-Kent Children's Services which comprise the statement of financial position as at March 31, 2018 and the statements of operations, changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the basis of accounting disclosed in Note 1 to the financial statements; this includes determining that the basis of accounting is an acceptable basis for the preparation of these financial statements in the circumstances, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Chatham-Kent Children's Services as at March 31, 2018, and its results of operations, changes in net assets and cash flows for the year then ended in accordance with the basis of accounting in Note 1 to the financial statements.

Basis of Accounting and Restriction on Use

Without modifying our opinion, we draw attention to Note 1 to the financial statements which describes the basis of preparation used in these financial statements. These financial statements are prepared for the Ministry of Youth and Children's Services and the Board of Directors. As a result these financial statements may not be suitable for another purpose.

CHATHAM-KENT CHILDREN'S SERVICES

Notes to Financial Statements

Year ended March 31, 2018

The Chatham-Kent Children's Services (the "Service") was incorporated under the laws of Ontario on March 5, 1998 without share capital and is a registered charity under the Income Tax Act. It provides support services to the children and youth of Chatham-Kent and their families in accordance with service and financing agreements in place with its funding partners. The Service operates under the regulations and financial policies of the Ministry of Community and Social Services, the Ministry of Children and Youth Services, the Broader Public Sector Accountability Act, 2010, Ministry of Education and the Municipality of Chatham-Kent.

1. Significant accounting policies:

(a) Basis of presentation:

These financial statements are prepared by management in accordance with Canadian Public Sector Accounting Standards allowing for the financial reporting requirements of the funding organizations, including the Ministry of Children and Youth Services and Ministry of Community and Social Services. More specifically the statement of operations includes certain expenditures that are not typically included as expenditures. These amounts include a charge for capital asset additions and principal payments on long-term debt and at the same time are included on the statements of financial position, with a transfer recorded on the statement of changes in net assets. Also, the statement of operations does not include a charge for amortization of capital assets as this is recorded as part of the statement of changes in net assets.

(b) Cash:

Cash consists of cash on hand and the balance on account any investments with maturity dates of less than three months.

CHATHAM-KENT CHILDREN'S SERVICES

Notes to Financial Statements (continued)

Year ended March 31, 2018

1. Significant accounting policies (continued):

(c) Capital assets:

Capital assets are reported at their original cost and amortized using the straight-line method over the estimated following useful lives:

Buildings	40 years
Equipment and furnishing:	
Technology equipment	3 years
Communication equipment	5 years
Furniture and other equipment	10 years

(d) Revenue recognition:

Contributions from funding organizations are recognized as revenue in the year of receipt except in the following:

- (i) Contributions relating to approved expenditures not yet incurred are credited to deferred revenue to match the funding organization's fiscal year.
- (ii) Unexpended funds at the end of the year from contributions to the operating fund, reduce contribution revenue and are reported as amounts repayable, unless approval has been received to use excess funds for specific upcoming expenditures. Over expenditures may not be recovered.

(e) Contributed services:

A substantial number of volunteers contribute a significant amount of their time each year. Because of the difficulty in determining the fair value, contributed services are not recognized in the financial statements.

CHATHAM-KENT CHILDREN'S SERVICES

Notes to Financial Statements (continued)

Year ended March 31, 2018

1. Significant accounting policies (continued):

(f) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Equity instruments that are quoted in an active market are reported at fair value. All other financial instruments are subsequently recorded at cost or amortized cost unless management has elected to carry the instruments at fair value. Management has elected to record any future interest rate swaps at fair value.

Unrealized changes in fair value are recognized in the statement of remeasurement gains and losses until they are realized, when they are transferred to the statement of operations. As the Service has no financial instruments recognized at fair value, the Service does not have a statement of remeasurement gains and losses.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

All financial assets are assessed for impairment on an annual basis. When a decline is determined to be other than temporary, the amount of the loss is reported in the statement of revenue and expenditures.

(g) Use of estimates:

The preparation of the financial statements in conformity with Canadian Public Sector Accounting Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Significant items subject to such estimates include the valuation of accounts receivable and capital assets. Actual results could differ from those estimates.

2. Balanced Budget Fund and Future Access to Surplus:

In 2014, the Ministry of Children and Youth Services announced the Creation of the "Balanced Budget Fund" to support Children's Aid Societies in meeting the newly announced balanced budget requirements that were outlined in the Ministry's Regulation 70. The Balanced Budget Fund process has been developed individually for each Children's Aid Society and will reflect the accumulated surplus that was returned to the Ministry each year. To be eligible to access these funds, the Service must meet two conditions:

- (1) the Service must have generated a prior year surplus recovered in or after 2013-2014; and
- (2) the Service must require additional funding in a future year for child welfare operations in order that they will not incur a deficit. The required amount cannot exceed the total accumulated balanced budget fund surplus, and withdrawals from the fund must be approved by the Ministry.

3. Cash:

Cash includes the following amounts, some of which are restricted.

	2018	2017

These funds have been invested in accordance with the directions from the Ministry of Children and Youth.

In management's opinion the Service is not exposed to any significant concentrations of risk.

CHATHAM-KENT CHILDREN'S SERVICES

Notes to Financial Statements (continued)

Year ended March 31, 2018

16. Financial risks (continued):

(c) Interest rate risk (cash flow, risk and price risk):

The Service is exposed to interest rate risk. Interest rate risk is the risk that the Service has on interest rate exposure on a portion of its long-term debt, which is variable based on the bank's prime rates. This exposure may have an effect on its cash flows in future periods. The Service reduces its exposure to interest rate risk by regularly monitoring published bank prime interest rates which have been relatively stable over the period presented. In the opinion of management the interest rate risk exposure to the Service is low and is not material. There has been no change to the risk exposures from 2017.

(d) Liquidity risk:

The Service has significant financial liabilities outstanding including accounts payable and accrued charges. The Service is exposed to the risk that it may not have sufficient liquid assets to meet its commitments associated with these financial liabilities. The Service manages its liquidity risk by monitoring operating requirements and prepares budget and cash forecasts to ensure it has sufficient funds to fulfill its obligations. There has been no change to the risk exposures from 2017.

(e) Market risk:

In management's opinion the Service is not exposed to significant market risk.

(f) Foreign currency risk:

In management's opinion the Service is not exposed to significant foreign currency risk.

17. Contingencies:

Due to the nature of its operations, the Service and/or its directors or employees are periodically subject to lawsuit(s) in which they are defendants. In the opinion of management, the ultimate resolution of any current lawsuit(s) would not have a material effect on the financial position or results of operations of the Service.
